Who We Are

GOOD ENTERPRISES is an established manpower service provider specialized in sourcing, screening, mobilizing, and managing skilled, semi-skilled, and general workforce for industrial clients across Tamil Nadu.

We bridge the operational gap between fast-growing manufacturing plants and disciplined local talent pools. Our localized recruitment network ensures high attendance stability, reduced worker fatigue, and strict adherence to all statutory labor compliances (EPF, ESI, CLRA, and Minimum Wages Act).

Whether your facility operates on continuous 3-shift schedules, requires seasonal manpower surge handling, or demands certified technical operators, Good Enterprises guarantees rapid turnaround and dedicated on-site supervision.

Strategic Industrial Corridors We Serve

1. Ranipet Industrial Belt
SIPCOT Phases I-III & SIDCO Estates. Heavy fabrication, chemical, boiler engineering, and leather tanneries.

2. Ambur Footwear Cluster
Global leather footwear, finished leather goods, and garment export manufacturing units.

3. Vellore Engineering Zone
Precision engineering fabrication, commercial machinery, auto components, and packaging units.

4. Ambattur Industrial Estate
One of South Asia's premier industrial clusters for auto ancillaries, CNC machining, and light engineering.

5. Sriperumbudur Mega SIPCOT
Automotive OEMs, electric vehicle (EV) plants, consumer electronics manufacturing, and giga-factories.

6. Vanagaram Logistics Belt
FMCG distribution hubs, central warehouses, cold storages, and supply chain freight terminals.

Our Operational Strengths

Immediate 24-48h Deployment
Pre-screened standby candidates ready for urgent batch mobilization.

Local Sourcing Advantage
Candidates recruited within 15-20km radius for superior shift punctuality.

Tailored Gender Ratios
Custom male/female workforce tailored for electronics, pharma & textile assembly.

Zero Contractor Disruption
Dedicated field officer stationed for daily biometric check-in and grievance redressal.
